

HEALTH GUIDE AND COMPLEMENT TO THE 2020 RULES

Ma Prairie has established in collaboration with the National Federation of campsites for our French campsites, a Covid-19 health charter, following the recommendations of the Ministry of Health. Our teams are trained in the health repository and we provide them with all the protective equipment for the safety of all.

The first 10 commitments have already been sent to you and are available on our website.

Here is more precisely what we have implemented:

- Simplified arrival procedures
- Plans and direction of traffic in cramped places
- Displaying good practices
- The availability of hydroalcoholic gel
- Listening and supporting our teams with essential actions to adopt

Wearing a mask is not mandatory on the campsite but it is recommended that you bring one when distancing cannot be respect or for local visits.

RECEPTION

- 2 persons maximum per family arrives upon arrival to complete the check in
- **use of hydroalcoholic gel before entering reception**
- Wearing the non-compulsory mask when distancing cannot be respect.
- No more than 8 people inside reception at the same time (wait outside respecting the distancing in line)

The welcome booklet is digital and available on our Camping Ma Prairie application, the essential tool for your stay: you will find all the necessary information there: timetable and services offered - entertainment schedules - tourist and partner information ...

CLEANING OF RENTALS

For your safety, the cleaning team strengthens the cleaning of rentals with virucide products.

To carry out the best cleaning of the rentals, the departures are between 8:00 a.m. and 10:00 a.m. maximum, according to the checkout schedule. (check availabilities when you make your appointment)

Before leaving, be sure you have made the complete cleaning by yourself of the accommodation you occupied.

If you have rented bedlinens and/ or towels, put them in a bag that you will close with care.

Leave all cottage windows open

SANITARY BLOCKS

- The toilets blocks are also at your disposal: Prior to S2 and S3 -S1 depending on the number of pitches occupied and the sectors frequented
- Hydroalcoholic gel provided at the entrance of each sanitary block.
- **Hand cleaning with soap or gel before AND after use**
- Be Respectful of traffic directions
- Toilet blocks clean twice a day – with mid-morning and mid-afternoon reinforcement for your safety

SWIMMING POOLS

Warning: swimming pool are not lifeguarded. Children are under your responsibility. Swimming shorts are forbidden, swimming trunks are compulsory. Shower compulsory.

- No time restrictions: open 10:00 am to 8:00 p.m.7/7j
- Gel hydroalcoholic at the entrance of the aquatic area
- **Balloons, floatables, strictly forbidden**
- **take your towel for the sunbeds**
- Use of sunbeds: they are spaced to respect the distances, please put them back in their place when you leave. We leave at your disposal some spray containing virucide product for an individual use.
- Slides: respect the ground markings in the queue

Rest assured: the quality of the swimming pool water is diligently monitored by our technical team; we will strengthen controls during the day.

PLAYGROUND/ ACTIVITIES

We strongly advise you to take your own equipment (petanque, ping pong rackets, balloons)

However, we lend the necessary equipment, we disinfect after each use.

The playground - multi-sport field are at your disposal as every year, please respect the distances

The animations will also take place but adapted to the health rules required.

BAR / RESTAURANT / BODEGA

- Gel hydro at your disposal, located at the entrance of the buildings.
- Respect the ground marking.
- The terrace is large enough to let you settle where you want. Tables are organized with respect of the distancing measures. No more than 10 people per table.
- Menus are on the QR Code stuck on the tables you can scan. They are also displayed on the doors of the restaurant and Bodega.

This regulation can be adapted according to the recommendations given during phase 3 of the general deconfinement.

Ce règlement peut être adapté en fonction des préconisations données lors de la phase 3 du déconfinement général.
